Welcome to St. John's

Good morning! We welcome you this day and pray that you may find the warmth of God's love and the power of God's presence in the service. **If you are a newcomer**, please fill out one of the white cards found in the pew rack and place it in the offering plate.

WOMEN CAN BE HEROES!

This little-explored version of the role of American military nurses during the Vietnam era led the **Bad Girls** to choose The Women by Kristin Hannah as our March book. We meet Frances McGrath who decides to take the unusual role of military nurse despite the skepticism of her parents and her friends. When she reaches her assignment, she is immediately thrust into the chaos of a wartime hospital. The relationships she forms with doctors and other nurses are the basis of this story. This book will make you laugh and cry and you will gain appreciation of those brave people who risk, and sometimes lose, their lives. Join the Bad Girls on **March 10 at 6:30** in the Conference Room to discuss this acclaimed novel.
