CONFIRMATION SUNDAY

## Observations from the office

Okay, so I have a couple of dogies in this roundup, but I look at this group of confirmands and it makes me feel happy and proud. Happy to see this many young people standing up before this congregation to make a pledge to God and this church; and proud because I know they have put in the time and work to understand what it is they are here for today. I believe I speak for the moms and dads, grandparents, aunts and uncles and ..well, maybe not the siblings, they probably really don't care yet...but for us all I say, God bless you and keep you as you move among the world as young Christians, and let your light so shine that those around you can see your good works and the Spirit in which you do them.
