In 1803 Ohio was admitted as the 17 state of the Union and during that time hundreds of immigrants from Germany and Switzerland built log homes near Dover, an area rich in timber and an abundance of clear water. They became part of a small but growing settlement in the Ohio wilderness. During the early 1800's these settlers, who shared many of the same religious beliefs as well their native German language, held church in each other's homes. At some point these freedom-loving people with a firm belief in God, built a separate log cabin near our present church.

There are no pictures of the log structure but there are records of our first pastor, Rev. Henry Colloredo, also a German immigrant. For 13 years Rev. Colloredo traveled on horseback between heavily forested Holmes, Coshocton and Tuscarawas Counties founding several German Evangelical churches.

Under Rev. Colloredo's leadership the frame structure shown here was constructed in 1838 on a site close to our current location. The building was owned jointly with the Lutheran church whose members spoke English. Our church, whose members spoke German, became the St. John's German Evangelical church. Early records of St. John's reflected a practice common to most congregations building their first house of Worship: members paid their church pledge by doing a certain number of hours of work on the building; some as carpenters, some as stone masons; others met their pledges by unloading lumber and supplies from the canal boats docked nearby on the Ohio Canal. The two churches held separate services in this same building for 25 years.

Built in 1838

In 1863 the English Lutherans sold their equity in the building for \$350 to the German Evangelicals and the church became known as the German Evangelical St. John's Church of Dover. The Lutherans moved to Third Street, to the present location of Grace Lutheran Church.

This was a period when large numbers of Europeans emigrated to the United States. German and Swiss families in the Old Country had undoubtedly heard from local settlers that land was plentiful and available. The church was a central part of the lives of these people, and St. John's reflected that, as church

membership swelled. In 1878, having outgrown their church building, the congregation voted to build a new church.

A stately brick and sandstone structure facing what was then Market Street (now North Wooster Avenue) was constructed to accommodate a growing congregation. The Sanctuary was located on the second floor and the Sunday School classrooms on the first floor. To make the brick walls strong they made them 4 courses thick at the bottom and 3 courses thick above the Sanctuary floor and between the windows to support the roof.

Again, our church members worked together, and many members made their contributions by working on the new building in any way that they could. The women of the church did their share too; they spent many hours sewing carpet rags and weaving rugs to be sold to help raise funds for the building. They also made soup to sell and labored countless hours at County Fairs selling homemade pies and foods all to benefit the church building fund.

In 1938 extensive renovation/construction to the church took place to accommodate a growing congregation with the addition of a Sunday School Hall and major renovation to the Sanctuary. Charles Marr was the architect and Wendling Brothers was the general contractor. E.A. Barthelmeh, Church Board President in 1938 stated: "The unselfish labors of pioneer German families of St. John's in founding our church have resulted in countless benefits to those who have followed. The church has always welcomed its membership with open arms. Whether in joy or sorrow the church always stood ready to serve."

As part of the renovation:

- A brick veneer was added to the church to match the new Sunday School Hall.
- The plaster ceiling in the Sanctuary was removed to expose wooden trusses.
- The second floor was removed, bringing the Sanctuary to the ground level.
- The direction of the Sanctuary was reversed, from facing Wooster Ave to the present configuration.
- The steeple was reused and covered with copper.
- A Holtkamp organ was installed with 1,700 new pipes added to the 500 salvaged pipes.
- Stained Glass windows were crafted by Von Gerichten Studios of Columbus, Ohio

The church has gone through several name changes over the years. In 1934, it became known as St. John's Evangelical and Reformed Church with the merger of the Evangelical and Reformed churches in the United States. In 1962 it was changed

to the present name of St. John's United Church of Christ.

St. John's membership, programs and facilities have continued to grow and evolve over the years with the addition of our Christian Education building in 1967 and more recently, in 2022,

the addition of our Fourth & Faith building, focusing on Contemporary Worship and community outreach.

Our church now offers many programs for all ages including St. John's Preschool, Christian Education programs for youth through adults, mission projects both locally and in areas of need, a wonderful music program, numerous programs and activities for seniors and the community.

Our traditional church service is conducted in the Sanctuary on Sunday at 10:30am.

All are welcome!

Join Our Prayer Chain

A **prayer chain** is a group of people, often associated with a church, who share prayer requests and commit to praying for specific needs as they arise. The members are "linked" by prayer, passing requests from one person to another in a continuous chain.

We are looking for people to join us on the prayer chain. It is easy as you make a phone call and pray for whoever might want you to say a little prayer for them. Contact Marge Burkhart at 330-343-1731 to express your interest. She'll guide you through the process.

Neighbors in Need Offering

In 2024, the Neighbors in Need theme is "**Mental Health Justice For All!**" This year's focus is on Mental Health Justice. In 2015, the General Synod of the United Church of Christ passed a resolution to become WISE (Welcoming, Inclusive, Supportive, and Engaged) for mental health. A just world for all is a world where the human rights and well-being of people with mental health challenges are respected, no matter who you are or where you are in life's mental health journey.

Bad Girls

THE ANTICIPATED SEQUEL

You may remember when the Bad Girls read The Book Woman of Troublesome Creek

by Kim Michele Richardson. At last the promised sequel about her daughter is available. In 1953, fourteen years before the Loving vs. Virginia verdict by the Supreme Court allowed interracial marriage, before the child of an interracial couple was considered "legal," Honey, the daughter of the Book Woman and her husband, found herself alone and running from the law while attempting to build a life for herself and the few resources she has left. Join the Bad Girls on October 14 at 6:30 in the Conference Room for a sympathetic discussion of The Book Woman's Daughter by Kim Michele Richardson.

DOVERSTJOHNS.ORG/YOUTH

Christ made everything in the heavens and on the earth. He made everything that is seen and things that are not seen. He made all the powers of heaven. Everything was made by Him and for Him.

Colossians 1:16

It All Starts With God

Humans have had questions for ages. How was the Great Pyramid of Giza built? Is there really a fountain of youth? What came first; the chicken or the egg? Nowadays, we encounter routine questions that also seem to have no answers; What did you do today? What's for dinner? Are we there yet? While we can't yet answer the wonders of the world, and we are living life too fast to have answers for the present, we can always count on one thing. God has a plan for us! We never have to ask, "Why am I here?" or "Am I alone?" Our purpose in life is far greater than ourselves. The Bible says, "It is God who directs the lives of His creatures; everyone's life is in His power." If we want to know why we were placed on this planet, our answer begins with God. If you were handed an invention you have never seen before, would you know how to use it? No! The easiest way to discover the purpose of an invention is to look at the owner's manual or ask the creator. The same is true for discovering your life's purpose. Ask God. He has given us answers revealed in our owner's manual, The Bible. In our busy days and even when pondering life's long unanswered questions, have no fear. God was thinking of you long before you ever thought about Him. His purpose for your life was planned before we were born. We may not have all the answers, but we can take comfort in knowing we have a path and we have a purpose, when we live our lives through God.

Brightest Blessings.
Natalie Peterman

YOUTH & FAMILY SUNDAY OCTOBER 6TH

Join the TEAM!

All ages youth are invited to leave worship after the children's time on Youth Sundays.

This will give us a chance to meet once a month as a K-12th grade team.

Together, we will work as youth members and jr youth members to support missions of St. John's like Parish Visitors, the Blessing Box and more!

If you're an older youth and do not want to miss worship, stop by the conference room after the service to see how you can help!

Show off your team SPIRIT!

Everyone is invited to wear a shirt or jersey representing your favorite sports team, or wear your own team's shirt or jersey!

BACKPACK BLESSING YOUTH & FAMILY SUNDAY

LORD, we give You thanks for our schools, teachers and students. We thank You for this new school year and all of the excitement and learning it will bring. Bless these backpacks and those who carry them. We ask that each be guided by Your love in the classroom and at home. May they feel Your loving care in everything that they do, now and forever.

AMEN

St. John's UCC Church Council Meeting September 11, 2024 at 7:30 pm

President Dave Gingrich called the meeting to order at 7:30pm with thirteen members present. Jean Paddock offered an opening prayer and President Gingrich lit the Christ candle. The minutes of the last meeting were approved as written.

Holly Gonter delivered the Treasurer's Report. The General Fund for the month of \$22,945 is better than the budget by \$3,337. Expenses for the month of \$39,150 were over the budget by \$1,716 but was explained that there were three pay periods in August. The resulting shortfall for the month of \$16,205 is \$1,621 better than the budget. Expenses for the year-to-date of \$256,569 are lower than the budget by \$16,110 resulting in a year-to-date shortfall of \$58,526 which is \$27,189 better than the budget. Beginning cash balance for the year was \$75,644 and the ending cash is \$31,262. We've transferred \$18,616 from investments to cover General Fund expenses and disbursed \$16,703 from the Capital Improvement Fund for plaster repairs, lighting upgrades and replacement of the freezer in the Social Hall kitchen. M/S/C by Rob Gump and Bev Smith.

Director of Christian Education Report

The Director of Christian Education, Natalie Peterman, listed community events at the Dover elementary school and YMCA that she plans to attend. Youth groups have started with a 6-12th grade youth group in conjunction with the First United Methodist Church to be held in the Fourth and Faith building on September 22. XOO will resume on September 12. The Christian Education board is reviewing the Safe Church policy with help from Vicki Rufener. Bags for Parish visitors to distribute to homebound members will be available on September 15. Additional information is available on the church website under the Office of Christian Education at www.doverstjohns.org/youth

Elders

The Elders have been reviewing the Associate Pastor job description. Brenda Durisen, along with Jean Paddock, has been developing a more robust list of community resources to be posted outside the church. We decided that Fellowship Time before church should be scaled down to see if the congregation responds to the cut-back. The Elders are working on the 2025 budget.

Trustees

Dan Dummermuth reported for the Trustees. The HVAC unit in the Christian Education building is working at ¼ capacity with only one of the four rooftop units cooling. The heating coils need to be either patched or replaced based on input from three heating/cooling contractors that were consulted. All have recommended that we install new technology which would be a mini-split system. Tree trimming by Dakota Tree Service will cost \$2,200 and include 2 oak trees and three other smaller trees in the front lawn of the church. Funds for tree trimming will be taken from the Memorial Fund and Trustees Maintenance accounts. Rudy Tschantz has been working to replace the steel window panels on the Christian Education building. New exit lighting has been installed in the Christian Education building.

Deacons

The Deacons, as reported by Bev Smith, have secured ushers for October and communion servers for October 6.

Parish Visitors

Dave Gingrich encouraged Council members to inform the church office of any congregation member or attendee who is having surgery, is homebound or in nursing care so the Parish Visitors can contact them

Continued from page 6

Finance Committee

The Finance Committee provided budget worksheets for Council to complete. The committee will meet with the various boards to compile the proposed budget for 2025 on October 1st and the completed budget form will be presented to council for approval at October Council meeting.

The Needles and Hookers group will partner with the local T4C organization on a project provide lap quilts and other needed supplies for nursing home residents. The congregation will be asked to donate various supplies that T4C will distribute.

For the Good of St. John's

Logan Ladrach will be in the pulpit on October 13 since the pulpit supply minister who was scheduled is unavailable that day. Logan is currently attending seminary.

Thanks to both Rudy Tschantz and Mark Hughes for the extra work they've done to maintain the building. The Cancer Care bag that was delivered to the Baker home was appreciated.

Let's Explore!

Starting in the fall, the Adult Contemporary Sunday School will be using a curriculum entitled Animate: Practices. This series is meant to lead to open-ended and creative discussions that will challenge and clarify our Christian values. You don't have to have all the answers, or in fact, any of the answers to participate. Some of our topics are eating food with Jesus, money and servicing the needs around us. Please join Sunday mornings at **9:00** in the Conference Room. There are no wrong answers!

Hospital News

HOSPITAL NOTE: We are no longer being notified by any of the area hospitals when our members are admitted due to policies involving patients' rights to privacy. **None at this time.**

Therefore, if you or a member of your family is admitted to a hospital and you would like the church to know and the minister to visit, **you need to call or E-mail the church office** with the information. Thanks for your help with this matter.

We wish to express our deepest sympathy to the James Mercer family. Jim passed away on Sept. 6. Please keep the family in your thoughts and prayers. Jim was a big part of the St. Johns Family. He will be greatly missed.
