

# St. John's News - February 1st

Following Jesus means trusting His path even when it's not easy. This week, may we listen for His voice, walk in His ways, and reflect His love to everyone we meet.

Hope to see you there!

To the congregation of St. Johns -

I want to thank each and every one of you for remembering me during this past holiday season.

My move up to Canton Christian Home was a quick decision. The residents and staff have been very friendly and helpful but I wish I could give you all a hug. I miss you all so very much. It's nice to know that I have not been forgotten. Keep alive some of the good works that we started. I pray that God continues to bless you all so that you can continue to be a blessing to others.

In Christ's love,  
Pastor Dotty Hartzell

Join the Bad Girls on February 9 at 6:30 in the Conference Room to delve into the pros and cons of limiting the written word—  
*Fahrenheit 451* by Ray Bradbury.

This powerful novel remains strikingly relevant. The story follows Guy Montag, a fireman tasked with destroying books, until an unexpected friendship prompts him to question the world around him and the truths he's been taught.
