New Year's resolutions are magical, mystical, and wonderful things that—like Christmas—only comes once a year. Well, that is what our society wants us to think! If we have seen any TV commercials, looked through the coupons in the mail, or scrolled on our phones, we have been reminded that it is New Year's resolution time. Yes, 'tis the season for getting in shape and *actually* using that gym membership. 'Tis the season to get rid of those bad habits. 'Tis the season for spending less and saving more. 'Tis the season for getting organized, making goals, and improving our lives.

But, we have been lied to because the slogan, "a new year, a new you," is a gimmick. On New Year's Eve, when the clock chimed at midnight, it may have become a new calendar year, but we are the same people from 2025. No "2.0 version." No fairy dust fell from heaven and magically appeared on us.

We are the old *us*, with our regular routines and same thinking. We are the old *us*, who subconsciously keep those bad habits. We are the old *us*, who would naturally choose candy over kale. Sadly, making a New Year's resolution and deciding to change is the easy part, but the actual change is hard. Change can be uncomfortable—at first—because it goes against our regular routines and old habits. Many times, we fail at our New Year's resolutions. With our best intentions, we may start on the right track, we may be rockin' our new change, but sooner or later, we will fall off "that horse." We may get off track. Life, stress, work, and family get in the way, and suddenly, we feel like we have failed.

John 1:1-14 speaks about hope for this new year. As you read through the passage, you probably miss the word "grace." It is normally not the part of the text that we like to focus on. On Christmas, we focus on "the Word became flesh and dwelled among us," but we could also say that "Grace became flesh and dwelled among us."

Jesus was the embodiment of God's grace. The text says that "he was full of grace and truth," and because of Jesus, we have all received, grace upon grace.

God's grace is so vast. It is more than the snowflakes that fall from the sky. God's grace is so overwhelming, that it is more than the drops of water that make up the Tuscarawas River.

Through the life of Jesus, we get to see what grace looks like. Jesus shows everyone what grace **tastes** like, through changing water into wine. Jesus shows 5000 people what grace **feels** like, when they had enough food to eat and plenty to share. Jesus shows the religious leaders what grace **looks** like, by healing a man born blind, despite it being the Sabbath. Reading through the Gospel of John, we can see that Jesus showed a multitude of grace to all kinds of people. He gave grace to those of high standing and those who are on the bottom of the totem pole. He gave grace to both men and women. He gave grace to those he knew well and those he had just met. Jesus bestowed grace to everyone.

It is easy to forget all the grace that God bestows on us every day. Sometimes, we don't even realize it, such as protection from injury, healing from illness, and extensions on deadlines (despite our procrastination!). Grace. Day after day. Year after year.

If there is one thing that we need more of this year, it is grace. Let us remember, the grace that God gives us every day, which is often a grace that we take for granted. Remember, today's blessings were yesterday's prayer requests. Even more, let us also give ourselves the same grace that God gives us. This grace reminds us that today is a new day. A time for new possibilities and no matter how many times we have tried and gotten off track; there is always room to come back and start, again. Moreover, may we extend God's grace to everyone we meet. Someone we meet today may be going through something and the biggest gift that we can give them is grace. Let us give grace because they may be fighting a battle we know nothing about.

As God imparts grace on us, may we have the courage to bestow grace on ourselves and others.

Let us remember, we can do anything because God's grace is with us.

We can do anything because God gives us the strength and courage.

Every day. Day after day. Grace after grace.

Take care,
Pastor Cassandra

Senior Minister's Report

Reverend Cassandra's report stated:

PAST EVENTS:

Cassandra taught the St. John's Pre-school (4- and 5-year-olds) on December 17th. The children learned about the true meaning of Christmas.

Christmas Candlelight services were held on December 24th at 3 p.m. and 7 p.m. In lieu of a sermon, we offered the play, "The Perfect Present!" Our Christmas Eve services were beautiful and meaningful. Thank you to all who made them possible; it took a village!

For January 4th, Cassandra made a special bulletin design for Marge's 70th anniversary as St. John's organist.

For January 6th, Cassandra attended the Search Committee meeting with our Association General Minister, Rev. Dr. Elena Larsen.

On January 11th, Cassandra co-taught the Confirmation class, with an introductory lesson on how one's social location impacts their faith.

PASTORAL CARE:

Church members: 2 attempted phone call check-ins; 1 nursing home visit

UPCOMING EVENTS:

Teaching for the Confirmation class on January 25th.

Teaching the Pre-school on January 26th.

Director of CE Report

Natalie Peterman's submitted report showed:

December was a full and meaningful month for our youth. We held our two-night **Live Nativity** which included 18 youth and friends who brought the Christmas story to life on our front lawn. We also completed our **Advent Lantern Lightings**, connecting eleven youth with four members and two special groups at St. John's for visits that shared light, stories, and gratitude throughout the season.

Our 2026 **Confirmation** program is also off to a strong start. Fourteen youths have been matched with 12 mentors, and a full four-month class schedule and curriculum has been created. Pastor Cassandra and Natalie kicked off the program this past weekend. This is an exciting time for St. John's as we celebrate a large and active group of youth. While we will graduate six seniors this spring, we will still have eleven youth over 8th grade returning next fall, including five who have not been active since 2020 and are eager to be involved again.

Looking ahead, our next major youth event will be the **Homeless Awareness Lock-Out** on February 14-15. Throughout the month of February, we will collect items for the homeless shelter and hope to fill the steps of the sanctuary with donations for those in need.

Now that confirmation has begun, Natalie will be shifting some focus to two additional areas at St. John's: **Bible Study** and the **Parish Visitor Ministry**. I look forward to learning alongside our members as I facilitate our Bible Study classes. These classes will be open to high school youth as well, and we will make accommodation as needed so people of all ages can participate and grow in faith.

Our Parish Visitor Ministry will regroup soon to continue our important connections with homebound members and those in nursing homes or assisted living. I also hope to expand our care to include spouses of those who are ill and members who are widowed. We have a wonderful group of volunteers who have served faithfully, and we will continue to support them and strengthen this ministry however we can.

LIVING THE CALL TO LOVE

February reminds us of Jesus' call to "Love your neighbor" (Luke 10:25-37). In this familiar parable, we're challenged to look beyond what is convenient or comfortable and to see one another with compassion, mercy and care. Loving our neighbor isn't just a feeling, it's something we live out through our actions, presence and willingness to show up for others.

As we move into 2026, we are already seeing wonderful things taking shape in the life of our church. Confirmation classes are underway, youth group activities will be back in full swing and a new Bible study will be beginning soon. These moments of learning, connection and growth remind us that God is at work among us in both quiet and visible ways.

This month, our youth will be living out that call to love our neighbor during our Annual Homeless Awareness Lock-Out on February 14th-15th. In preparation, we will begin collecting items on Fellowship Sunday, February 1st, with donations gathered throughout the month on the front steps of the sanctuary. During the lock-out, youth will spend the night outside to help raise awareness about homelessness in our community, we will host speakers from Friends of the Homeless and will be collecting much-needed items dropped off in our parking lot throughout the evening. It is a powerful reminder that even small acts, listening, learning and giving, can make a meaningful difference.

February can sometimes feel heavy, but it is also a month filled with hope. Every act of kindness, every shared moment of care and every effort to understand another's story brings light into the world. As we move through this month, may we be encouraged to look for ways, big and small, to love our neighbors as Christ calls us to do.

Our next Fellowship Sunday will be March 1. Fellowship Sundays are a time for everyone in our church to take a few moments, once a month, to come together as a church family. We invite you to join us in the Fellowship Center prior to worship for light breakfast snacks and refreshments.

Blessings,
Natalie Peterman

FOLLOW ME:

February is all about loving our neighbor, and our Follow Me kids will be putting that love into action! This month, children will make cards for those at the homeless shelter, create small gifts for homebound members and others in need of support, and even share Valentine's love with animals at the humane society. It's a fun, hands-on way for kids to learn compassion, kindness, and how faith connects to everyday life. Families are encouraged to send their children and be part of this meaningful month together!

CONFIRMATION:

February continues our confirmation journey with opportunities for learning, service, and connection. Confirmands are encouraged to attend **Youth Group on February 1st** from 5:00-6:30 PM as we prepare together for Homeless Awareness.

PARENTS & FAMILIES:

Each month, we offer take-home materials for parents and caregivers to continue faith conversations at home. These resources connect with our monthly Bible verse and children and youth activities, offering simple discussion prompts and ideas to extend learning beyond Sunday. Materials can be picked up in the Fellowship Center on Fellowship Sundays. Upcoming dates include **February 1st, March 1st, April 12th, and May 3rd**.

We hope these resources help support meaningful faith conversations at home.
