HE HAS RISEN

## Observations from the office

Oh my, these eyes of mine have been looking around this sanctuary for a lot of years...and yes, I am of an age that tends to remember when.....remember when we had to set extra chairs up in the aisles to accommodate everyone on Easter Sunday...remember when you showed up in your best bib and tucker (clothes for you under fifty crowd) and everyone's mom wore a hat.... remember when anyone with a "teen" in their age beat feet to the balcony....remember when we had junior ushers and they were only boys ( and they beat feet to the donut store as soon as they could)...remember when we sat in quiet awe as the alter was stripped and draped in black...oh, wait, that was just last week...I guess we are STILL making things to remember!
